| Jazz Only   | * Exam/Syllabus work, not compulsory but worked on in class           |   |  |   |   |  |
| Tap Only  |   | The Delightful tots class is designed with parent interaction in mind, but this can depend on the child, sometimes you'll just sit and enjoy the class at others you can get more involved!The class involves a range of activities including song, dance, gym circuits (perceptual motor program) and music in a fun atmosphere with positive encouragement.   | Although this class is designed to help children work independently, we recognise that some children will take longer than others to cope with the separation and independence of this class.The class involves a range of activities including song and dance, gym circuits (perceptual motor program) and music in a fun atmosphere with positive encouragement. | Little Fairies & Elves classes start by combining coordination with dance and progress to a full dance class. Children learn the first lessons for classical ballet & jazz and work towards performing routines by the end of year. This is a class where fun and discipline go hand in hand. The ATOD preschool syllabus is introduced in this class to lay the foundations for a creative technical dancer. | Our Hip Hopper class is designed for boys & girls 3-5yrs who are ready to move and groove but may also need further development with coordination skills. This class involves a range of activities including dance and gym circuits. | Our Jitterbugs program is an extension of Little Fairies and incorporates ballet, jazz and tap.This is a class where fun and discipline go hand in hand. The ATOD syllabus is extended to include tap to lay the next foundations for a creative technical dancer. This class is involved in all Kids and & teens events at the studio and not classed as preschool class therefore are in our kids teens concert at the end of the year |
